Why would you like to be a Supporter of the Passivhaus Trust?	

### Why become a supporter?

- Access the latest technical information and experience from the Passivhaus Trust
- Network with leading Passivhaus experts, practitioners and academics
- Help to promote the Passivhaus standard in the UK

### Benefits of a supporter

- Discounts on selected Passivhaus Trust course fees and Passivhaus Trust events
- Access to Passivhaus Trust research and other outputs
- Monthly Passivhaus Trust newsletter

### Conditions

- "Supporter" applies to the named individual or community group only.
- "Supporters" cannot be a company or professional organisation. The relationship with PHT is intended for individuals or community groups who want to support the work of the Trust, not those who work on Passivhaus buildings.
- Supporters do not get access to Passipedia or other technical information from the Passivhaus Institute.
- Renewals will occur automatically and an invoice will be sent once renewal falls due. If you wish to cancel your support please let us know without delay.
- "Supporters" cannot call themselves members of the Passivhaus Trust, nor use the Passivhaus Trust logo.
- Benefits apply for one calendar year from date of joining
