

UK PASSIVHAUS OPEN DAYS 2014

7 - 9 November

A contemporary, 3-bed, commercially viable detached Passivhaus in the grounds of the South West Energy Centre. This timber frame unit is the first to be built at a college for training/demonstration purposes, acting as a showcase for low-carbon construction and a venue for training in sustainable building techniques.

WHEN

FRI 7 10am - 4pm
SAT 8 10am - 4pm
SUN 9 N/A

WHERE

South Devon College
Long Road
Paignton
