

UK PASSIVHAUS OPEN DAYS 2019

28 - 30 June

WHEN

SAT 29th 10am - 3pm

PPE not required but the house is incomplete so should be considered a building site.

A part complete EnerPHit refurbishment and extension, of an end of terrace, 1968 townhouse. The project was started with a builder (Lex Projects) but the majority of the build has been carried out by the architect owner. The work is still in progress, with most of the structure and fabric complete for the extension, with finishing work ongoing. The existing house works are just getting underway.
