

UK PASSIVHAUS OPEN DAYS 2019

28 - 30 June

WHEN

FRI 28th 10am - 4pm

SAT 29th 10am - 4pm

Completed in 2017, this Paragraph 55 exception dwelling is set into a steeply sloping hillside. The building faces due south with most windows floor to ceiling glazing on that facade. To avoid potential problems of overheating, the glazed facade is set 1.5m back behind a stone clad arcade which creates a covered colonnade. This simple solution provides optimal solar shading and simultaneously softens the impact of a large array of glazing in a sensitive rural location.
